- 1. The paper factory in Rijeka employs 800 workers, only 25 of whom are Communist Party members. Factory work is divided into three shifts of eight hours each, and each employee contributes "voluntarily" another six to eight additional work hours a week. Two old machines and a new machine received in 1946 are installed in the plant. The factory has its own heating system. Its electric power is received from its own turbine installed on the Rijecina River.
- Director of the paper factory is Ladislav Gergonja and the UDB and Militia representative is a Captain Host who is reportedly in good Party standing. The industrial militia guard at the factory consists of fifteen men.
- 3. Workers pay averages 3,200 dinars monthly per worker and from this sum 1,500 dinars are withheld for food served at the plant.
- 4. The cellulose used at the plant is imported production capacity totals 500 kilograms of paper. Fost of this production is in cigarette paper.
